### **LETRAS DE TANGO interpretadas por el SEXTETO MILONGUERO**

Heinke Fiedler y Sexteto Milonguero

**Literary Homage:  
Tango can also groove – not just tug the heartstrings**

Düsseldorf, Buenos Aires. **LETRAS DE TANGO** is a unique testimonial to Sexteto Milonguero, one of the best-known live orchestras on the current Argentine and international tango scene. The author's selected photos and an authorized English translation of original compositions together with classical tangos from the orchestra's repertoire, beautifully capture the spirit and passion of the Tango Argentino.

LETRAS DE TANGO – with musical themes performed by Sexteto Milonguero in both the Spanish original and their English adaptation – is a glowing tribute to the Tango Argentino and these exceptional musicians.

'The design together with the expressive photos of the musicians combines to make this book a true collectors item.'

George Kaye, The Smokies, EBMA Pioneer Award Nominee 2014

*'Sexteto Milonguero's concerts feature a tremendous zest for life and extraordinary interaction with the audience. The tango is composed by its three fundamental elements music, word and dance; the understanding of the artists' actual words – for all non-Spanish-speaking people - offers an important dimension for understanding and experiencing their musical works.'*

Revista Tinta Roja, Christian Martínez

# Tanguento

Like all musical themes interpreted by Sexteto Milonguero, this book presents a journey through time – from the tangos of the 1940s to Sexteto Milonguero's own moving and musically virtuosic compositions.

The third CD DOBLE O NADA released in 2013 conveys the orchestra's further development: a double-album with one CD dedicated to the classical Tangos, whereas the second one presents new themes as original compositions.

The musicians feel they need to contribute to the tango with contemporary themes in their own musical language and specific style. Sexteto Milonguero 'swing.' They display a freshness and emotion that goes beyond technical mastery.

Sexteto Milonguero's original compositions are characterised by a passionate love for music and their instruments, extraordinary playfulness and liveliness, together with great authenticity and emotional depth.

Selected stories tell us about people and the roles they play, their experiences and encounters on the great journey of life. They speak to us of minor, unexpected serendipities, wonderful moments and highly emotional epiphanies. They tell us about love, loss, longing, passion and dreams... interweaving the past, with the present and the future.

Themes of today...timeless themes to listen and dance to. As Javier Di Ciriaco says: 'We wish that the people leave our show with a smile, the people's joy completes us.'

The book presents the original Spanish lyrics and their authorized English adaptation of all Sexteto Milonguero's CDs produced 2007-2013.

The lyrics are accompanied by beautiful black and white photos showing Sexteto Milonguero on stage in recent years.

Track list CDs and 'Letras de Tango'

## **SEXTETO MILONGUERO,**

founded in 2006 by Javier Di Ciriaco, is one of the most successful live orchestras of the Argentine and international tango scene. An orchestra in the traditional formation of the classical style of the '40s but with his own personal stamp.

Sexteto Milonguero and Javier Di Ciriaco captivate audiences of all sizes with their heart-pounding show, masterful stage presence and extraordinary interaction with their audience.

In the last seven years, Sexteto Milonguero has played at theatres, concert halls, festivals and milongas in Buenos Aires and throughout all of Argentina. With three Latin American and seven European tours spanning more than 20 countries as well as concert tours to Canada, Shanghai and Singapore, the group has also built up an ardently devoted following outside Argentina.

Violins	Marisol Canessa and Gustavo Garay
Bandoneón	Mauricio Jost
Piano	Juan Rivero
Contrabass	Cristian Sepúlveda
Voice	Javier Di Ciriaco
